Music night 7th March, 24 hour tennis marathon, table tennis, Red Nose Day, Tsonga Tournament

Anyone for Table Tennis?

Did you know we have a table tennis table at Sundridge Park? Not many people do but it is available for hire on one of the squash courts and we would like to set up some social sessions as well as making it available to use. On Monday 16th March we will be joined by two experienced table tennis players/coaches who will be able to put us all through our paces with a fun introduction to the game. This is for children ages 11 and over and adults to join in from 6.30pm-7.30pm. No charge for this session, sign up on the noticeboard.

Red Nose Day Plans

Friday 13th March is Red Nose Day and the coaches and Club have a host of activities planned to include:

- 10.00am-midday Doubles Tournament – enter in the clubhouse; £10 per player with homemade soup after the tennis
- 1.00pm – Head Tennis Coach v Head Squash Coach challenge match
- Fastest Serve Competition – throughout the day, test the speed of your serve
- Ball Machine Challenge – how long can you last against the machine?
- Ania's skipping challenge – 100 skips in a minute? Can you match Ania? Skipping ropes available all day and leaderboard in the clubhouse
- Junior Tennis – Wear something red to your tennis lesson and, best of all for a small donation, you can bring a friend to join in the fun for your lesson. Music on court, lots of games for all and maybe the odd sweet or two given out by the coaches

- Junior Squash – Ted has lots of challenges lined up for the junior session 5.00pm-6.00pm but parents watch out as there could be some forfeits for you!
- Cake Sale – please bake a cake for sale on the day for donations

24 Hour Tennis Marathon

Congratulations to James Sandford, Sam Aldred, Ben Robinson and coaches Gary and Ania for their amazing efforts at the 24 hour tennis marathon - playing some great tennis and keeping awake from midnight until 4am over the weekend.

There is a Just Giving page available for donations; we really appreciate your support. Click her to go to this page. The proceeds will be split between JusB (a local charity working with young people) and our own Club. And we have a collecting bucket behind the bar!

Alejandra - Saturday 7th March

Help us raise some club funds - and have a great night!

We are well on the way to an audience of 40 people but we would love to see you, your friends and family. Help us create a fabulous atmosphere and make this night successful for the Club.

There will be a raffle on the night. The winner will get a prize and JusB will receive the funds raised - adding to the collection from the 24 Hour Tennis Marathon.

Sign up now in the clubhouse!

Tsonga Tournament - Friday 20th March 7-9pm

Sundridge Park's first official Tsonga championship is coming soon. If you haven't played Tsonga before, it's a fast-paced fun singles game that you play in pairs, and is named after the famous French pro player. It's simple to pick up and great fun so please sign up in the clubhouse to secure your space. The entry is £10.00 per pair and any proceeds will go to our 24 hour tennis marathon charity.

Reminder

Please let us recycle your old tennis balls by placing them in the blue tub in the clubhouse rather than leaving them in the bins on the court. This helps us collect them all quickly and the Club also collects some money for doing so!
